

# Bradley Onstad

Project Manager

RELEVANT PROJECTS

## EXPERIENCE

26 Years Electrical Industry  
1 Year with Capitol Electric

## EDUCATION

Cal Poly Pomona  
Construction Engineering Technology

## ABOUT

Bradley joined Capitol Electric in 2025 with 20 years of experience in the San Francisco T.I. market and has been managing electrical projects for over 26 years. Having held previous positions as Vice President and Operations Manager, his diverse management experience ranges from highly detailed multi-million dollar projects to time sensitive service projects. His vast knowledge of lighting controls and systems integration has been one of the key elements to his success in this highly competitive LED driven market.
